Dear Dr. Silva:

Conditional approval of your Animal Welfare Assurance (Assurance) was provided on 06/24/2022, pending receipt of documentation regarding your animal care and use program. This letter acknowledges the receipt and acceptance of the Semi-Annual Report to the IO document requested, and thus the requirements of your conditional Assurance have been satisfied. Your Assurance, identification number D21-01122, became effective on 06/24/2022 and will expire on 06/30/2026. Please include the Assurance number on all correspondence to OLAW.

The Assurance is a key document that sets forth the responsibilities and procedures of your Institution regarding the care and use of laboratory animals according to the PHS Policy. The practices described in the Assurance document must be followed by all individuals in the animal care and use program.

Please note that the OLAW Annual Reporting period is the federal fiscal year, October 1 through September 30. The Annual Report to OLAW is due by December 1 (but no earlier than September 30).

If I may be of further assistance, please do not hesitate to contact me.

Sincerely,

Senior Animal Welfare Program Specialist,
